

**2016 National Allium Research Conference
Held Jointly With The
National Onion Association Conference**

**November 30 – December 3, 2016
DeSoto Hilton Savannah, GA**

Call For NARC Abstracts

**If you are planning to make a presentation at the NARC meeting (Nov. 30-
Dec. 3, 2016) in Savannah GA the important dates to remember are:**

Submission of Title, Author(s) and Affiliation(s) deadline: August 31, 2016*

Submit Titles and authors to: dronion@uga.edu Indicate 'NARC title' in subject line

**Indicate at this time whether you choose an oral or poster presentation*

Full Abstract deadline: October 28, 2016

Submit Abstracts to: dronion@uga.edu Indicate 'NARC abstract' in subject line

Title and abstract details on page 2.

Meeting Registration: NARC will be meeting jointly with The National Onion Association (NOA). Links to forthcoming registration details and information on meeting venues will be found on the National Onion Association Website <https://www.onions-usa.org>

Please check the type of presentation you want to give.

_____Oral _____Poster _____Student Poster Competition**

**** There will be no judging of oral presentations, so if you want your student to enter the competition it will be for poster only. Only one entry per student will be eligible for competition. Please note that this does not prevent students from submitting other presentation as a poster, nor does it limit poster presentations to students only.**

TITLE & ABSTRACT

Guidelines: Abstracts should be submitted in a Microsoft Word format.

Title: Should be in bold font, preferably Times New Roman 12 and in lower case except for proper names or following appropriate punctuation.

Presenting author should be in all CAPS; List affiliation(s) of author(s); List e-mail of corresponding author

Example:

Epiphytic survival of *Pseudomonas* sp. (causal agent of yellow bud in onions) on *Lolium multiflorum* L. and *Rumex crispus* L. in Georgia, U.S.A.

DUTTA¹, B., R. Gitaitis¹, C. Booth¹, S. Smith¹ and D. Langston²

¹Department of Plant Pathology, University of Georgia, Tifton, GA 31793 and ² Tidewater Agric. Res. & Educ. Ctr., Virginia Tech & State University, Suffolk, VA 23437.

bhabesh@uga.edu

Abstract Body:
