

2009 WSU Extension Onion Field Day

Thursday, August 27th, 2008
9 a.m. to 1 p.m.
Grigg Farms - Quincy, WA

The trial is located southeast of Quincy on Road 6 NW,
near the intersection of Rd. 6 NW and Rd. K NW.

See map on reverse side for directions.

This year's trial contains 43 onion cultivars and lines from 7 different seed companies to compare and contrast under local growing conditions. The Field Day will begin with a short overview of the crop. Participants will then have an opportunity to examine the entries in the trial. WSU and USDA Onion Researchers will be on hand to discuss their research with those interested. A BBQ Luncheon will be held at the Grigg Farms headquarters, just up the road from the trial (12139 Road 6 NW, Quincy, WA 98848).

The following companies are sponsors of the BBQ following the Field Day:

*American Takii, Inc.
Bejo Seeds, Inc.
