Leafy Vegetable Disease Diagnosis Workshop

for
Vegetable Breeders, Field & Seed Reps, Growers and Others Interested in Diagnosis of Diseases of Leafy Vegetable Crops

When: July 24th, 2003 from 8 am – 5 pm

Where: Washington State University – Mount Vernon R.E.U.
16650 State Route 536, Mount Vernon, WA 98273

Purpose: Provide hands-on training in diagnosis of common pathogenic diseases of Cruciferous and Chenopodiaceous vegetables grown in northwestern WA. Additional workshops on other vegetable crops to be offered subsequently.

Cost: $25 (including lunch). Nonrefundable after June 15th. Participation is limited to ~30 people on a 1st-come, 1st-serve basis
